Foreword

Again we have reached the time to drop anchor after another voyage. 1941 has been a journey of fun and frolic, of work and endeavor. It is something to look back upon with pleasure and happiness, something to talk and reminisce about. In order that we may have something tangible around which to weave our memory of Viking days in C. H. S. the staff presents the Blue and Gold for 1941.

As we jog our memory to recall the saga of the year, let us start with dedication and administration, then follow with the seniors and lower classes, continuing with the athletics, activities, and clubs, and finally close with a quick day by day summary of the events of the year.

Going to school leaving school being tardy
staying for detention attending football games stopping
at the Lyric for early morning assemblies sliding down the
new fire chutes going to parties trying out for plays
being in plays singing marching playing
winning losing passing flunking studying
. . . . loafing just plain star gazing all are part of the
ebb and flow of the sea the Vikings sail.

Dedication

We, the graduating class, as an expression of our appreciation to Roy Asiala who has been our adviser and friend for four years, dedicate to him this 1941 Blue and Gold Annual.

Admiral of the fleet and director of our seafaring days for thirteen years is B. C. Shankland. Mr. Shankland is a graduate of Valparaiso University and Columbia Teachers' College.

Captain of the good ship C. H. S. which has brought us safely to port is George H. Mills. A sailor in his younger days he is a graduate of the United States Navy, Michigan State College and the University of Michigan.

Fair Weather and Foul

Hopes were high in the school this year for a team that would come through in a winning style. A high percentage of letter men returned; and we had new coaches, all combining to make a stronger team. Winning the first game from Lake City indicated the boys were off to a good start.

Cadillac won one of their next three games from Manistee. After this game the team was defeated on successive Fridays by Traverse City, Ludington, and Petoskey. Although the scores were far apart, Cadillac played extremely good ball in the Traverse City and Ludington games, but they were simply outclassed in size and reserve power. The team was plagued with injuries during the season with first-line players being on the injured list. It was the intention of the coaches to make a foundation of team play this year to build up to winning stride for the trophy and the championship in successive years.

Throughout the season the boys showed a tendency to play bad ball in the first half and then come back to outplay their opponents the second half. This inconsistent play contributed much to our defeats. On a rainy, cold afternoon in November the Cadillac eleven played a smashing, fighting game to win the final contest of the year from Big Rapids.

At the end of the season Lawrence Martin was elected honorary captain.

Stormy Seas

In the angle of games won and lost the season proved to be very disastrous, but working under the coaching of Mr. Barclay the type of play was much higher than in previous years.

A total of fourteen games was played, seven of them being conference games. Cadillac lost to Manistee, Petoskey, Ludington, and Traverse City to place at the bottom of the standings. Cadillac also was unfortunate in losing other games by very close scores to smaller class C schools. The team started slowly the first half with the result that they could not quite make up the large difference in the scores, even though they outclassed the opposing team the second half. The team showed spurts of real power, barely being beaten by Traverse City, last year's state champion in class B. One great handicap to both the team and the coaches was the necessity of practicing in a small gym and then going to larger gyms to play.

Every game proved to be a fast, clean contest that was enjoyable to watch. Throughout the season the team displayed an aggressive type of ball. In an end-of-season tournament Cadillac was beaten by Mount Pleasant.

Made up of a large percentage of sophomores and juniors the Cadillac Five should go a long way towards the championship in the next two years.

Hugh Kinnison Sparks Track Team

The 1941 track season was fairly successful for the Vikings. After losing their first meet to Traverse City, the Vikings came back the next week and easily took first place in an invitational meet. At the conference meet the following week the thin-clads took third place.

Two conference records were broken by Cadillac's Hugh Kinnison. He set a new mark in the pole vault when he cleared the bar at an inch and a half over eleven feet. He also set a new mark in the broad jump, jumping nineteen feet, nine inches.

The Vikings were confident of doing well in the regional meet as they had been steadily improving throughout the season. This year the track men showed marked improvement in the field events, in which they had been rather weak in previous years; but on the other hand, they were somewhat weaker in the running events.

Tennis Boys Steam to Success

With nine prospective lettermen returning from the 1940 season, hopes for another successful tennis season were very high.

Through the outstanding efforts of Coach Sjoberg, the Viking netters have won five consecutive matches so far this year. Mr. Sjoberg has coached the tennis teams for the past six years, and his teams have won four regional championships.

A class B conference was organized this year for the purpose of promoting more

tennis competition in Northern Michigan. This conference tournament was held May 10, at Petoskey and was won by the Vikings.

As in previous years, the class B regional will be held at Cadillac, May 23. Because of the success in the conference tournament, Coach Sjoberg has high hopes for another regional championship. The following boys are expected to participate in this tournament: Harold Johnson, David Hector, Charles Lectka, William Brinkman, Howard Watson, Don Hansen, William Peterson, Durrell Holland, and Robert Bourassa.

C. H. S. Again on the Fairways

After a lapse of four years, C. H. S. again entered the field of golf this year. The team that Coach Barclay recruited consisted mostly of sophomores, with one junior and two seniors. These sophomores should provide the nucleus for a good team again next year.

The season started off auspiciously. Traverse City, which had not met defeat in three years, fell a victim to our boys in the first match of the season.

On May 10 a conference meet was held at Petoskey. The schools participating were Cheboygan, Manistee, Traverse City, Petoskey, and Cadillac. Traverse City won this meet with a score of 353, just fifteen strokes better than Cadillac which finished second.

At the time of going to press there were still two meets to be held.

Newspaper Has Junior Editors

The Blue and Gold newspaper for the first time in its history is being edited by two Junior girls, Harriet Marchon and Dorothy Oliver.

These girls, with a staff made up this year of Juniors and Seniors, produce a school page every Wednesday night in the Cadillac Evening News. By having the Evening News Staff attend to technical details, the high school staff is able to produce the Blue and Gold weekly. Most high schools our size do not attempt to publish a paper oftener than every other week.

Plans were also made to attend a district press conference at Ludington last fall, but transportation difficulties at the last minute prevented our attending.

The Blue and Gold work is directed at mirroring the life of Cadillac High School for the students and citizens of the community. It also hopes to give some practical journalistic training.

This training seems to have been of some value. One of the editors has become a correspondent for a state trade magazine, and several former staff members have been on the staffs of various college and university papers.

Annual Smaller But Different

The staff this year was faced with a difficult problem. They felt that should maintain the high standard set by last year's book; but, on the other hand, they realized their budget would have to be considerably smaller. How to put out an interesting annual and still not exceed our income was the problem.

The staff held several staff meetings and plans were made. Finally the plan of the book began to take shape and each staff member set out to carry out his own individual assignment. All the members worked with a will to make this year's book distinctive. We felt that nothing which describes the life of the school should be omitted and

we are sure that it has not. All the usual things are there.

Much of the distinctiveness of the 1941 Annual is in its lay-out. The title page with its bleed cut composed of snapshots gives a note of interest to the very first page. The senior pictures set on an angle, the calendar in the senior section, the staggered arrangement of club and activity pictures, the use of colored ink all help to add variety and interest to the book.

We are grateful to our adviser, to the photographer and printers, for the help they gave us and the time and effort they expended in our behalf.

FOOT-
LOOSE

JUNIOR-SENIOR PLAY

Foot-Loose

"Foot-Loose," a three act comedy, was the play chosen for the annual Junior-Senior effort. It was produced at the Lyric Theatre, February 27, under the direction of Mr. Van. Dealing with a family whose children

thought they were over-disciplined, the play was especially attractive to high school students. An audience of 687 witnessed the production and showed their satisfaction by long and sustained laughter and applause.

Viking Speakers Win Honors

After a lapse of several years Cadillac again this year entered the contests of the Michigan High School Forensic Association. Entering five speakers in the sub-district contests, Cadillac students came through to win one first and two seconds in competition with Alpena, Cheboygan, Petoskey and Traverse City.

Betty Powers was the winner of the first place award. She appeared in a contest in dramatic interpretation, a field of speech new to contest work this year. She chose as her declamation "The Baby's Plea." Speaking with splendid poise and a great depth of feeling, she did an excellent piece of work against strong competition to gain first place. By virtue of her victory she won the right to appear in the district contest at Cheboygan. There she was again victorious and brought home to Cadillac High School the first place banner awarded to district winners.

Joanne Haynes and Edward Olsen were the two second place winners. Joanne competed in declamation after first defeating Glenn Kilgren, Marian Burch and Don Hansen in the local contest. Edward won second place in oratory after surviving a local battle with Jean Powers, Ann Coffey and Charles Hoffman. Both Joanne and Edward were ranked first by some of the judges in the sub-district contest.

In extempore speaking Marshall Brehm, William Peterson and George Huckle fought it out with each other, the former two winning the privilege of appearing in the sub-district. Although failing to place, both boys gave a good account of themselves.

Appearing at a forensic festival at Michigan State College, Joanne brought home the third place banner to put Cadillac's name upon the list of winners at a state meet.

Many Plays Presented By Play Production

The play production classes under Mr. Van's direction have finished one of the busiest seasons of several years. Starting almost with the opening of school last fall the group presented plays for assemblies. The rate of production was so rapid that by the end of the year sixteen plays had been presented.

One of the outstanding plays of the year was "A Sign Unto You," given at Christmas time for the annual high school Christmas observance. Serious in nature, it was both well done and well received. It was presented later for the Cadillac Rotary Club.

Another highlight of the year was the program of plays for the Cadillac Woman's Club. Play production students have appeared annually before the club for several

years, and have met with increasingly enthusiastic approval at each appearance. This year they presented a diversified group of three plays, "Two Gentlemen of the Bench," "Three Friends," and "Will O' The Wisp."

The climax of the year was a public performance of five one-act plays the evenings of May 15 and 16. Twenty-three students participated in presenting three comedies, one drama, and an impressionistic episode. The sophomore class presented "The Ring and the Look," while the seniors gave "Muley," "The Professor Roars," "The Caravan," and "Will O' The Wisp." This public appearance not only earned for the class some needed funds, but also gave parents and friends, as well as students, an opportunity to see the work of the class.

Scenes from Play Production Rehearsals

Girls In Three Concerts

The Girls' Glee Club was the busiest of the vocal groups, appearing in three concerts. One was with the band on April 23, the second with the orchestra during music week, and the third, an outdoor concert, featuring all the music groups.

The membership, selected from the chorus classes, displayed fine tonal balance and blending as well as a fine sense of interpretation. They featured folk songs, popular song hits, songs of the masters, and several sacred numbers.

Boys Produce Vaudeville

The boys began this full season by presenting their annual vaudeville show in November. This time it was called "Kornzapoppin." The election was used as their theme. They again presented a style show, the feature attraction, showing beach wear. This show was witnessed by capacity audiences at each of the three performances.

The club also participated in several concerts, including the spring band concert, and the outdoor presentation. They were also a part of the all-vocal concert in May.

Band Performs With Lights

| | |
|----------------------------|-------------------|
| Band Manager | William Henderson |
| Student Director | Don Hansen |
| Director | Mr. Phillips |

The band, a sixty-five piece organization, has had one of its most successful seasons during the school year. Between halves of football games, many maneuvers were performed. The marching band was equipped with lights in order that formations could be presented on a darkened field. The band made a very good showing by forming a flag with red, white, and blue lights.

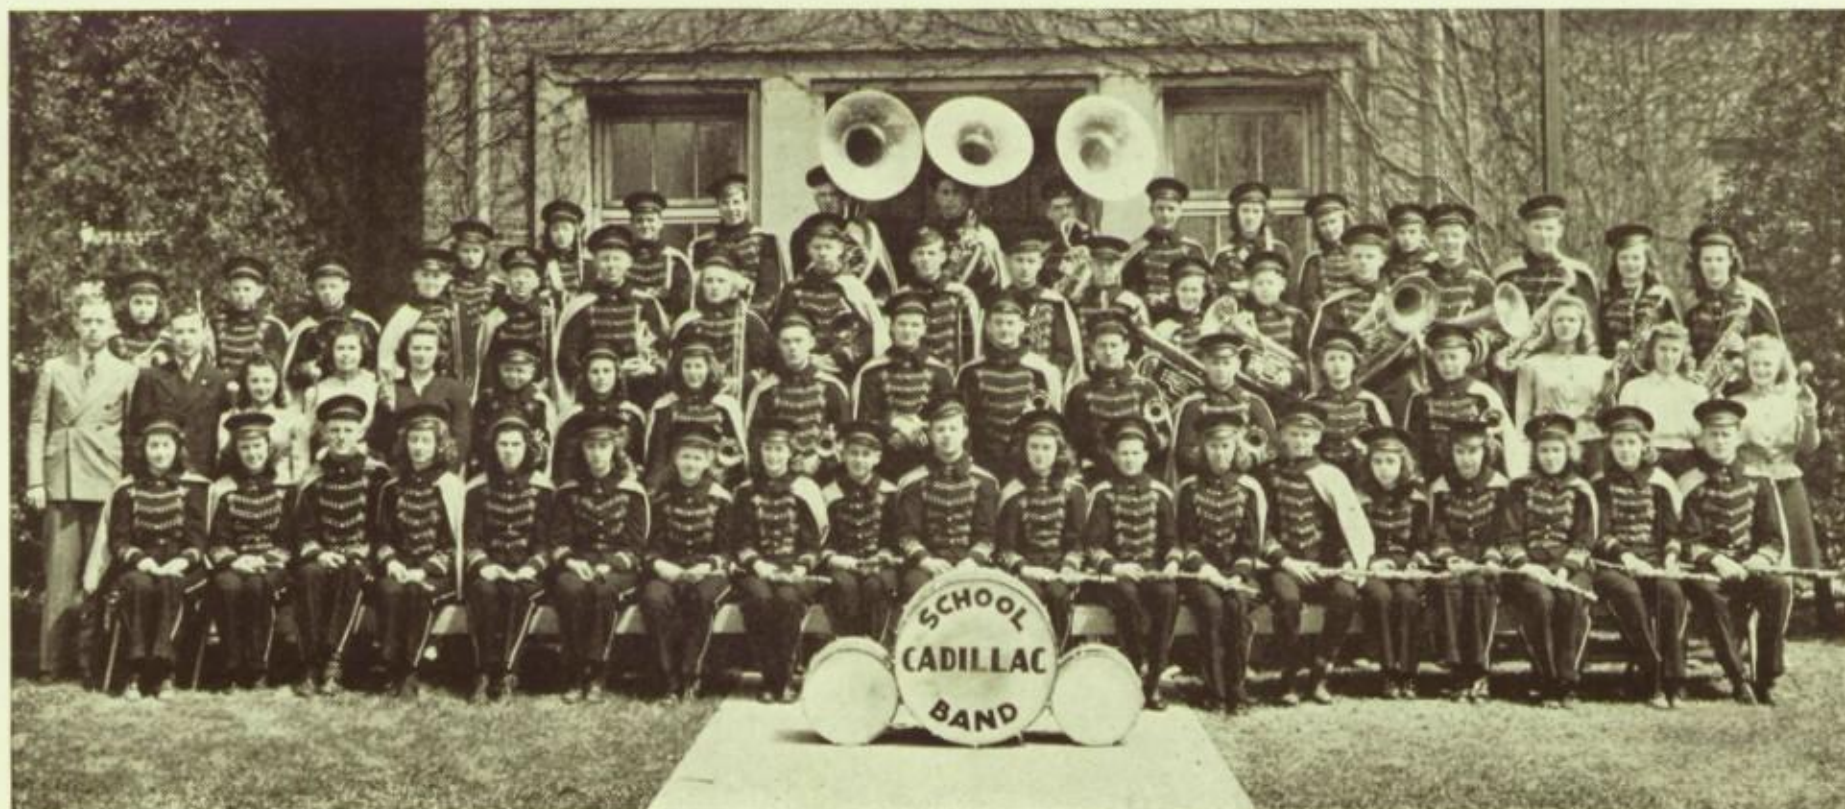

Two concerts were given this year, the first one on April twenty-third, and the second in the first week of June. A diversified program was presented at both of these programs. The band members had the opportunity of playing under one of the nation's foremost band directors, Dr. Frank Simons, when they attended the band festival in Big Rapids on May twenty-first.

Recreators Sponsor "Round-Up"

| | |
|----------------|-------------------------------|
| President | Ann Coffey |
| Vice-President | Margaret Leslie |
| Secretary | Betty Powers |
| Treasurer | Ruth Johnson |
| Advisers | Miss Harrington, Miss Mulvany |

The Recreators Club is made up of forty girls who are interested in athletics. Each year new girls are elected and initiated into the Club. A new adviser, Miss Mulvany, was chosen to replace Miss Hutchins who was ill.

The Recreators were hostesses at a play day, took part in the joint club Christmas supper, and sponsored the annual Maiden's Week which was climaxed by one of the big events of the year, the "Recreator Round-up."

The Hi-Y Club has had a busy year of varied activities. The year started off with a bang when new members were taken in and initiated.

The Club took up where it left off last year on the project of providing financial support for the Y. M. C. A. This year the boys contributed more than ever before.

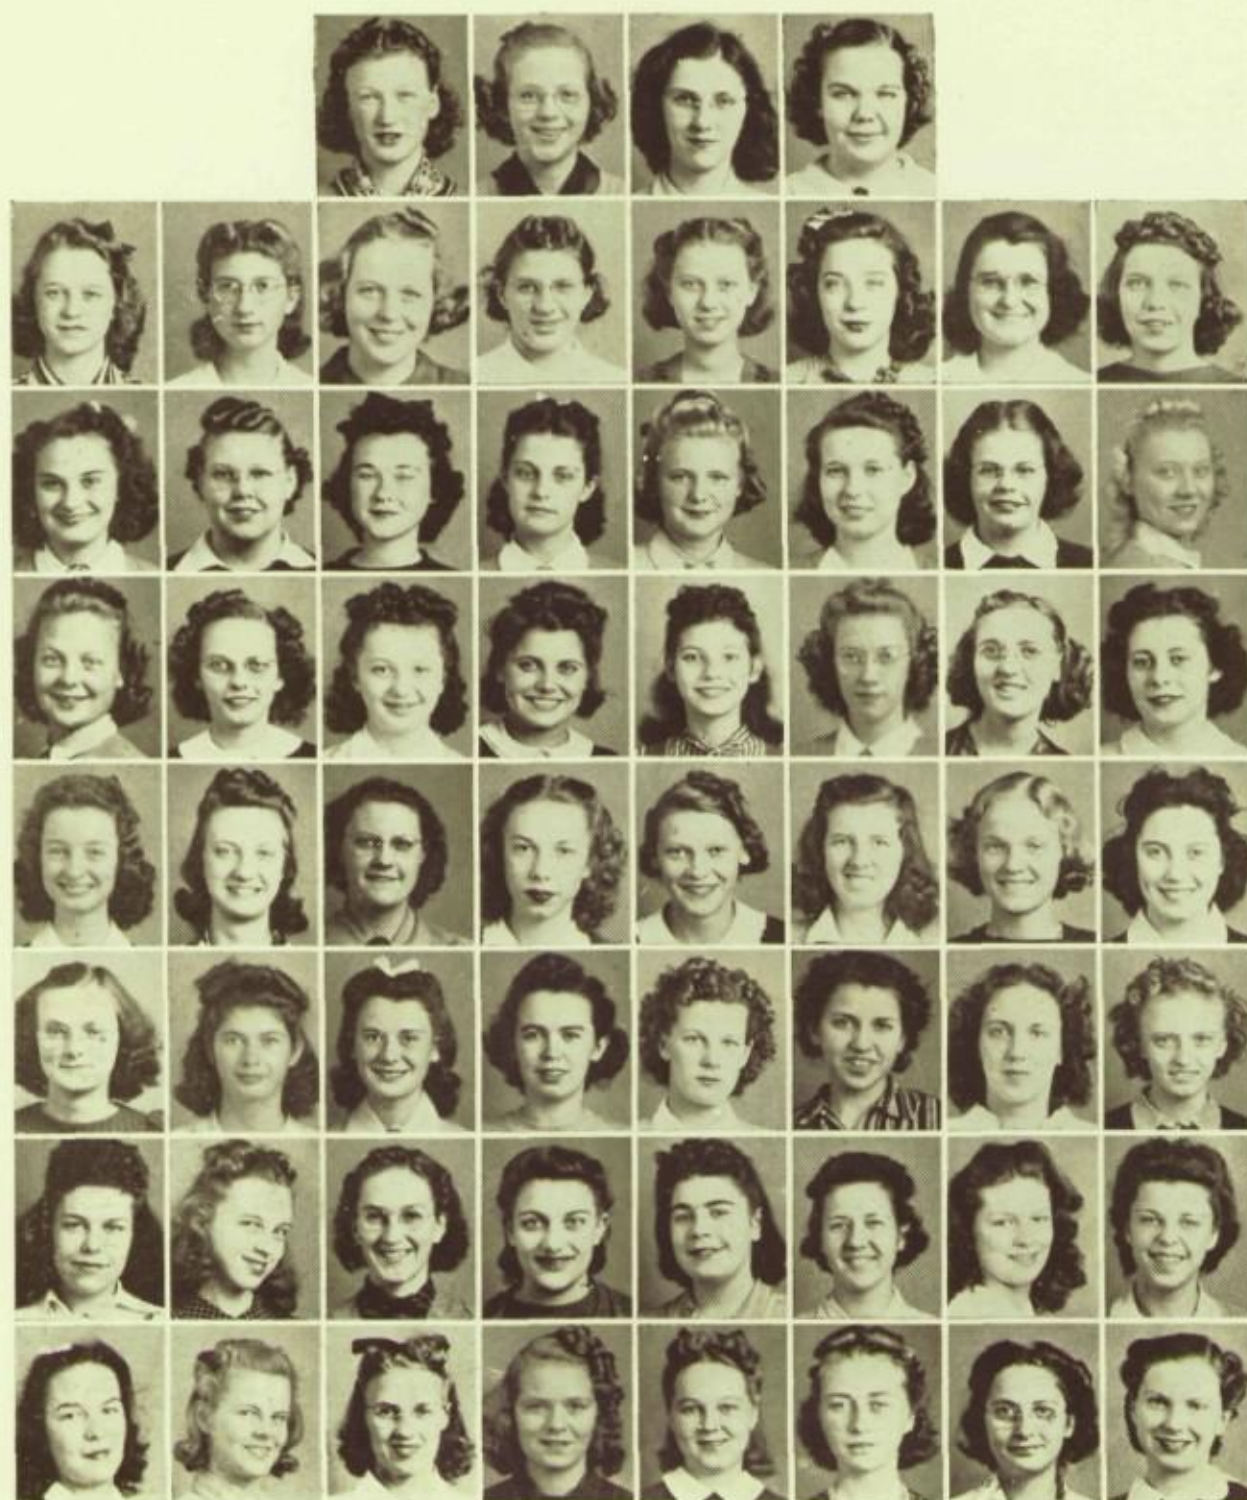

The Club again provided printed programs for the football games at the Lincoln Field.

Continuing a practice begun several years ago, the members ushered at assem-

blies but soon grew tired of the job and abandoned the service.

There were the usual conferences and the Club sent its usual number of delegates to these; some to the Older Boys' Conference at Muskegon in November, and some to the district conference at Ludington in April. The all-school conference held March 28 was partially sponsored by the Hi-Y Club.

The Club is also busy in the summer. Last August four members were sent for Hi-Y training to Camp Hay-o-Wenta. The lucky boys were Tom La Monde, Durrell Holland, Jerry Anderson, and Rex Curtis.

Girl Reserves Join National Organization

| | |
|-------------------------|---------------------------------|
| President | Leah Marchon |
| Vice President | Mayme Williams |
| Secretary | Bonnie Sylvester |
| Treasurer | Marian Greenberg |
| Corresponding Secretary | Ruth Johnson |
| Advisers | Miss Fuller, Mrs. Charles Kelly |

For the first time in several years the Junior-Senior Girl Reserves can proudly say they are members of the national Girl Reserve Club.

A formal recognition of the Junior-Senior girls was made in December at the Y. M. C. A. This was the first service of this type that has been held in Cadillac.

The Girl Reserves strive to promote Christian living; be of service to others and create a close friendship among each other.

The club participated in several service and social activities this year, including a candy sale and a joint skating party with the HI-Y Club. To celebrate Christmas they joined the Freshman and Sophomore Girl Reserves, Recreators and Hi-Y Clubs in the Blue Room at Millers Cafe. The Reverend J. Menoch was guest speaker of the evening.

We feel many of our accomplishments should be credited to Miss Fuller and Mrs. Kelly who gave us so many helpful suggestions.

Young Reserves Have Successful Year

| | |
|-------------------------|------------------|
| President | Minka Hofstra |
| Vice President | Ann Williams |
| Secretary | Lois Greeley |
| Treasurer | Romaine Malleaux |
| Corresponding Secretary | Betty Perry |
| Adviser | Miss Mulvany |

Among the Freshman-Sophomore Girl Reserve activities this year was a Christmas banquet in which the girls participated with the Junior-Senior Girl Reserves, Recreators, and Hi-Y Club. They also participated in the all-school conference, held on March 28, 1941. At different times throughout the year social parties have been held for the girls. In February a party was held at the Y. M. C. A. where they were allowed the use of the swimming pool, the gym, and the ping-pong tables,

and had a lunch. In March they had a pot-luck supper in the high school after which they danced.

This year our club belongs to the National Girl Reserves. This is a world wide club. Its members are junior members of the Y. W. C. A.

At Christmas time the girls brought food and money to school. Thus several baskets were made up to send to different families in the city.
